Item 11. Wage Rates/Pay Information

Workers are paid weekly. All general production work provided in this job order will be paid by the hour at the current AEWR of \$8.92/hour, or at the prevailing wage rate as determined by the Virginia Employment Commission, or the legal federal or state minimum wage rate, whichever is highest. In the event the DOL promulgates a new AEWR during the recruitment or contract period which is lower than the AEWR in effect at time of application, this lower AEWR becomes the guarantee at the discretion of the employer unless there is a prevailing hourly rate higher than the new AEWR.

The employer guarantees to offer the workers employment for at least $\frac{3}{4}$ of the work hours of the total period during which the work order and all extensions thereof are in effect, beginning with the first work day after the arrival of the workers at the place of employment and ending on the termination date specified in the work order or its extension, if any. If the employer offers the worker during such period less employment than required under this provision, the worker will be paid the amount he/she would have earned had he/she, in fact, worked for the guaranteed number of hours. Employee will perform other duties related to this/these crop activities and other tasks required in operating a farm.

If, before the expiration date specified in the work order, the service of the workers is no longer required for reasons beyond the control of the employer due to fire, or other Acts of God, such as frost, flood, drought, hail, etc. which makes the fulfillment of the contract impossible, and the RA so certifies, the employer may terminate the work order and return the worker to the place from which the worker, without intervening employment, came to work for the employer at the expense of the employer.

Employer will provide without charge all tools, supplies and equipment necessary to perform duties assigned.

Unless the employer has amended the date of need no less than ten (10) working days prior to the date of need through notice to the order holding office, the employer will guarantee one week's

Attachment 1 to ETA 790 for Meadowspring Turf, LLC, Page 6

wages to all workers subject to this order beginning with the anticipated start date. Employers may require workers to perform alternative work. "Alternative work" includes all work described in this job order or otherwise approved by the SWA.

Any U.S. worker who fails to notify the nearest SWA no sooner than nine (9) working days and no later than five (5) working days prior to the anticipated date of need of his/her intentions to fill the job for which he/she was referred and recruited will be disqualified from the first week's wage guarantee described above.

If the worker voluntarily abandons employment before the end of the job order period or is terminated for job related reasons or misconduct, the employer will not be responsible for providing or paying return transportation and subsistence expenses of the worker.

Employer agrees to maintain adequate and accurate payroll records. The employer will furnish to each worker on payday an itemized accounting of earnings and of all legal and authorized deductions. Social Security and FICA deductions will be made for individual U.S. workers as required by law.

Employer will provide workers' compensation at no cost to workers covering injury and disease arising out of and in the course of worker's employment. Proof of worker's compensation insurance will be provided to Regional Administrator prior to certification date.

Item 12. Transportation

For workers who complete 50 percent of the work period, the employer will reimburse the worker for costs incurred by the worker for transportation and reasonable subsistence from the U.S. Consulate/Port of Entry from which the worker came to work for the employer to the place of employment. Subsistence will be in accordance with current rates published in the *Federal Register* (for workers with and without receipts.) The amount of the reimbursement for transportation shall be the worker's actual cost, but no more than the most economical and reasonable similar common carrier transportation charges for the distance involved.

If the worker completes the period of employment, the employer will provide or pay for the worker's transportation and reasonable subsistence from the place of employment to the place from which the worker came to work for the employer, except when the worker has accepted subsequent employment with another employer who agrees to accept the return transportation costs, in which case this employer only pays for the transportation to the next job.

For the purposes of the above requirements the "period of employment" shall be the period from the first workday the worker is at the employer's farm and is ready, willing, able and eligible to work until the anticipated ending day of employment in Item 6.

Reimbursement of inbound and return transportation costs applies only to persons recruited from outside normal commuting distance (to and from their permanent place of residence each day; see page one). Return transportation will not be provided to workers who voluntarily abandon employment before the end of employment period or who are terminated for cause.

The employer will provide transportation at no cost to the worker from the employer provided housing to the worksite and return on a daily basis. Such transportation shall be in accordance with applicable laws and regulations. The use of this transportation is voluntary; no worker will be required as a condition of employment to utilize the transportation and subsistence if applicable.

If the services of the worker are no longer required for reasons beyond the control of the employer due to fire or other acts of God such as frosts, flood, drought, hail or the like which makes

Attachment 1 to ETA 790 for Meadowspring Turf, LLC, Page 7

fulfillment of the work period impossible and Regional Administrator so certifies, the employer will provide reimbursement for transportation and daily subsistence from the place of recruitment for covered employees.

General Conditions

To be hired for employment under this job order, the worker must be able, willing and qualified and be available at time and place needed to perform the work described in this job order.

The worker understands that if he quits or is terminated for cause prior to the end of the period of employment he will not receive certain transportation reimbursement discussed under Item 12 and may not be eligible for rehire in future years.

Employer may terminate the worker for lawful job-related reasons and so notify the Job Service local office if the worker (a) abandons the employment; three consecutive workdays of unexcused absence shall be an abandonment of employment; employee must notify the employer and secure permission for necessary absences; (b) malingers or otherwise refuses without justified cause to perform as directed the work for which the worker was recruited and hired; (c) commits serious act(s) of misconduct or serious or repeated violation(s) of the employer's work rules; the employer may make and post work rules which shall apply to this employment; the worker shall abide by such rules (a copy of general rules is attached); (d) fails after completing the allowable training period to perform in a workmanlike manner to enable the employer to produce and sell a premium quality product; (e) provides other lawful job-related reasons for termination of employment.

This work agreement shall also be terminated by reason of fire, hurricane, frost, flood, drought, hail, other acts of God or other calamity or reason beyond the employer's control to make fulfillment of this work agreement impossible. "Reason beyond employer's control" includes termination of worker, if he is not a US worker because a US worker makes himself available for the job under DOL 30-Day rule.

A copy of the Agricultural Work Agreement and Work Rules will be provided to the worker no later than the date work commences.

Meadowspring Turf, LLC

We expect the total number of workers the employer will use in the occupation of this/these crop activities to be 8, of which 6 are expected to be H-2A workers for which certification is requested and the balance will be US workers. These numbers are estimates only as total workforce needs are dependent upon weather, crop conditions and worker availability.

Meadowspring Turf, LLC Work Rules

Although not intended to be a complete list, these work rules are intended to provide guidance to workers of standards of conduct expected of them.

Notice is provided that violation of lawful job-related employer requirements, including these work rules, will be considered grounds for immediate termination of a worker's employment. Penalties such as suspension from work opportunity for the remainder of a day to three days may be made in the case of less serious violations.

Workers are expected to comply with all rules relating to discipline, attendance, work quality and effort, and the care and maintenance of all property provided to them by the employer.

1. Workers who perform sloppy work may be suspended without pay for the remainder of a workday or for up to three days in the sole judgment of their supervisor, depending on the degree of infraction, the worker's prior record and other relevant factors. Discharge of the worker may result from any subsequent offense.
2. No use or possession of beer, liquor or illegal drugs is permitted during work time or during any workday before work is completed for the day (such as during meals); workers may not report for work under the influence of beer, liquor or illegal drugs. Employees may be terminated for excessive use of alcohol, drunk and/or disorderly conduct in housing after hours. Illegal drugs may not be used, sold, manufactured or kept on any employer premises, including housing. Employer will test for drugs upon suspicion of use.
3. Excessive absences will not be permitted. This is regular, everyday work for which employees are expected to be present, able and willing to perform every scheduled workday. This is not sporadic or "day work." Excessive or repeated tardiness is not acceptable. Any absence from work must be reported by 7AM. Three days' absence will constitute abandonment of employment and worker will be terminated.

NORMAS DE TRABAJO

Aunque no es la intención de que esta sea una lista completa, estas normas de trabajo tienen la intención de servirles de guía a los trabajadores en cuanto a la conducta que se espera de ellos.

Se les notifica que cualquier violación de los requisitos legítimos relacionados al trabajo que tenga el patrón, incluyendo estas normas de trabajo, serán consideradas como motivo para despedir al trabajador inmediatamente. sanciones, tales como suspensión de oportunidades de trabajo por el resto del día o hasta tres días a la vez, pueden llevarse a cabo en el caso de violaciones menos graves.

Se espera que los trabajadores cumplan con todas las normas relacionadas a disciplina, asistencia al trabajo, calidad de trabajo y esfuerzo, y el cuidado y mantenimiento de toda la propiedad que el patrón le provea.

1. Cualquier trabajador que haga mal trabajo podrá ser suspendido sin pago por el resto del día de trabajo o por hasta tres días según la decisión de su supervisor, dependiendo del grado de la infracción, antecedentes de trabajo del trabajador y otros factores pertinentes. Despido del trabajador podría resultar de cualquier ofensa posterior.
2. No se permite ningún uso o posesión de cerveza, licor, o drogas ilegales durante el tiempo de trabajo o durante cualquier día de trabajo antes de que se haya terminado el trabajo (tal como durante las horas de comida); los trabajadores no deben reportarse al trabajo mientras estén bajo la influencia de cerveza, licor o drogas ilegales. Los empleados pueden ser despedidos por uso excesivo de alcohol, embriaguez y/o conducta indisciplinada en la vivienda después de las horas de trabajo. Drogas ilegales no se pueden usar, vender, fabricar o guardar en ninguna propiedad del patrón, incluyendo las viviendas.
3. No se permitirán ausencias excesivas. Este es trabajo regular, de todos los días, en el cual se espera que todos los empleados estén presentes, capaces y dispuestos a trabajar todos los días de trabajo. Este no es trabajo esporádico ni "a jornal." Tardanzas excesivas o repetidas no serán permitidas. Cualquier ausencia del trabajo debe ser reportada antes de las 7 A.M. Tres días de ausencia significa abandono del empleo y el trabajador será terminado (perderá el empleo).
4. Los trabajadores deben mantener limpias y en buen estado las áreas de vivienda que se les provean, teniendo en cuenta lo que sea desgaste razonable. Los trabajadores deben cooperar con los otros trabajadores asignados a sus áreas de vivienda en el mantenimiento de las áreas de cocina y vivienda. No se permiten animales(mascotas) de ninguna clase.
5. Todos los carteles requeridos por las leyes federales y estatales estarán fijados en cada vivienda. No se pueden quitar, desfigurar o modificar de ninguna manera. Los trabajadores que quieran copias se las pueden pedir al capataz(supervisor).
6. Todas las viviendas deben ser cerradas con llave cada mañana antes de ir al trabajo. Las luces y calefacción que no sean necesarias deben ser apagadas; las puertas y ventanas cerradas en caso de lluvia, y para preservar la calefacción.
7. Los trabajadores que viven en viviendas con literas no las pueden desmontar ya que el espacio del piso es necesario para todos los ocupantes.
8. Los trabajadores que viven en las viviendas del patrón no pueden cocinar en los dormitorios o en cualquiera otra área que no sea la cocina. El patrón proveerá los aparatos y artículos para cocinar.
9. Los trabajadores no deben tirar papeles, latas, botellas ni otra basura en los campos, el área de trabajo, ni en el área de vivienda. Se deben usar los recipientes para basura y desperdicios.

10. Los trabajadores no deben tomar descansos no autorizados durante horas de trabajo.
11. Los trabajadores no deben salir del campo u otra área de trabajo asignada sin permiso del patrón o de la persona encargada.
12. Los trabajadores no deben entrar a la propiedad del patrón sin autorización.
13. Los trabajadores no deben comenzar a trabajar antes de la hora asignada, ni continuar trabajando después de la hora de terminar.
14. Los trabajadores que viven en las viviendas del patrón no deben tener visita después de las 10:30 p.m. excepto los sábados por la noche cuando las horas de visita terminan a medianoche. Nadie, fuera de los trabajadores asignados a un dormitorio por el patrón, debe dormir en los dormitorios.
15. Los trabajadores no deben limitar la producción a propósito, dañar la fruta excesivamente o intencionalmente.
16. Cualquier trabajador que amenace físicamente a otro trabajador, al patrón o al supervisor con cualquier herramienta o arma será despedido inmediatamente.
17. Cualquier trabajador que se descubra que lleve, use o tenga en su posesión cualquier arma peligrosa será despedido inmediatamente.
18. Los trabajadores podrán ser despedidos por cualquier pelea que tengan en la propiedad del patrón, incluyendo el área de vivienda, a cualquier hora.
19. Cualquier trabajador que le robe a otro trabajador o al patrón será despedido.
20. Los trabajadores no deben falsificar documentos de identificación, personal, médicos, de producción, ni otros documentos relacionados al trabajo.
21. Los trabajadores no deben intencionalmente abusar o destruir cualquier maquinaria, camión u otro vehículo, equipo, herramientas u otra propiedad del patrón o de otros empleados.
22. Los trabajadores no deben operar o usar camiones ni otros vehículos, máquinas, herramientas o otro equipo si no se les ha sido asignado específicamente por su supervisor. Los trabajadores no deben usar u operar camiones ni otros vehículos, herramientas u otro equipo o propiedad para su uso personal a menos que hayan sido expresamente autorizados por el patrón.
23. Los trabajadores no deben maltratar ni remover del área de la finca, sin autorización de su supervisor, ninguna propiedad del patrón.
24. Los trabajadores deben obedecer todas las normas de seguridad y las prácticas de seguridad comunes y deben reportar cualquier herida o accidente inmediatamente a su supervisor o a la oficina del patrón.
25. Los trabajadores deben obedecer las instrucciones del supervisor. Insubordinación es causa para el despido.
26. Los trabajadores que violen las normas de trabajo serán disciplinados de la siguiente manera:
Primeras ofensas: aviso oral y corrección
Segunda ofensa: aviso por escrito y resto del día sin paga
Tercera ofensa: despido inmediato con detalle de los hechos por escrito.
Se le pedirá al trabajador que firme los hechos por escrito.
